Dear Dr. Khanzzandra,

Thank you for volunteering to assist C.A.P.E. in our annual Health Fair. C.A.P.E. could not do this without help from people and organizations like you, who are willing to give of their time and resources to assist our most needy children and their families. Providing dental screenings for all of our young participants was an extremely valuable contribution.

I know you were kept very busy this year, with a record turn out of families. With your help these children are on their way to maintaining healthy teeth and gums.

Please accept my thanks on behalf of the C.A.P.E. Board of Directors and staff.

Sincerely,

Kathy Coyle  
President
