Dear Dr. Miranda,

We would like to extend our deepest gratitude for Awesome Smiles Dentals' sponsorship of *The Bridge Program*, Soulciety's annual mission trip to the Philippines that focuses on improving the health and education of youth in impoverished communities.

Awesome Smiles Dental contributed thousands of hygiene supplies to our program including toothbrushes, toothpaste, floss and mouthwash. These supplies were donated to 12 schools in 6 provinces throughout the Philippines, and have improved the health of thousands of youth that are impacted by poverty. Awesome Smiles Dental donated \$2,500 that purchased tables and chairs for students and teachers at Oy National HS in Loboc, Bohol. Your company also provided lodging, transportation, and funds for our mentors that traveled from the Bay Area and New York to Bohol, Philippines.

This package is our way of thanking you for your generous contribution. We have included photos and a video slideshow of your donation's impact that you may use for your marketing needs. We have also included a sponsorship shirt with your company's name on the back, a sponsorship informational packet with Awesome Smiles Dental listed as one of our sponsors, flyers of the program and other materials.

We are already working on our next mission trip to the Philippines this coming December 2011 to February 2012. We would love the opportunity to continue to work with Awesome Smiles Dental on our program. Our goal is to donate 8,000 hygiene supplies on our next mission trip, along with other materials and supplies listed above. Together, we can improve the health and lives of thousands more youth.

Again, we truly thank Awesome Smiles Dental for your effort in helping our youth overseas.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron".
